WEDA Executive Committee University of Idaho
Doreen Hauser-Lindstrom, Executive Director
Washington State University

Your Role When Serving as an Appointee or Liaison

WEDA appointees/liaisons are individuals who are appointed by vote or recommendation and authorization to represent WEDA regionally and nationally.

WEDA appointee/liaison expectations may include but are not limited to:

- attend meetings/conferences on behalf of WEDA,
- share information back to WEDA,
- promote and provide connections to western regional resources,
- provide language or research for products,
- coordinate or convene working groups; and,
- if as an official member with voting privileges, vote on motions.

In addition, partner organizations may identify reasonable expectations on a case-by-case basis.

WEDA appointees/liaisons do not:

- commit WEDA financial resources,
- vote on motions when WEDA does not have voting privileges.
